Cast

FRANK MARTINI – The classiest King of Happy Hour. He brings an Old World flair to the fast paced world of modern mixology.

CAROLINE – A fierce aspiring bartender from Boston who is here to win. Her sassy spirit and willingness to take risks makes her a sure fire winner with the crowd.

XANDER – This smooth talking Southern hunk knows the way to every woman's heart – a strong drink and a sexy shake! He is Caroline's stiffest competition.

MARIA – A fiery Italian dancer from Brooklyn. She's newer to the world of mixology and Frank is concerned that she's a lot of bluster.

FEATURED GUEST – The fourth competitor is an actual Party Guest who is eager to participate in the festivities. They will rock out and mix it up onstage becoming an honorary bartender.
